## Worms Revolution: Medieval Tales DLC Download Without Key

Download ->->->-> <http://bit.ly/2SIL8ac>

### About This Content

Tony Bluster-Comb is Don Keystone's spineless assistant and with his boss in hiding he needs your help to further document the life of Wormius-Fistycuffius. Now's your chance to do so and become a legendary hero! Storm a series of puzzle-laden castles in these 10 all-new medieval single-player quest missions.

#### Worms Revolution: Medieval Tales DLC Includes

- New Campaign Missions. 10 all-new single player campaign missions set in the new medieval theme with narration scripted by award-winning writer, Dean Wilkinson.
- Medieval Theme. A stunning new Medieval theme for Worms™ Revolution that can be used in both local and online matches.
- 5 New Hats. Choose from Hero, Wizard, Peasant, Guard and Executioner hats for your Worms to wear.
- 3 New Speechbanks. Ever wanted your worm to speak like a Hero, Hostage or Villain? Now they can!

How did you guys NOT include a bow and arrow for this dlc?. Great and fun DLC

Best Soundtrack out of the entire game!
